WHAT IS SORO?

Neighborhood Councils were created as part of a sweeping reform package enacted by voters in 1999 to better connect residents with their city government. These reforms gave powers to Neighborhood Councils to give people a stronger voice in the decision-making process. SoRo's mission is to have people come together to influence city decisions that affect us here in our neighborhoods. SoRo is now prepared to elect officers to serve on our Board of Directors!

UPCOMING ELECTION! BE A CANDIDATE!

SoRo's Board of Directors is just one way to serve your neighborhood. Any one who lives, works (including volunteers,) owns property, attends school and/or is a member of a religious congregation within the SoRo area (see map on page 4) can be a candidate. If interested, an application is attached (See page 3). SoRo needs you and so does your community!

WHAT CAN YOU DO ON THE SORO BOARD?

- **Help maintain the quality of life and property values in YOUR community**
- **Keep you informed about upcoming issues that may affect YOU and the community**
- **Improve communications between YOUR community and city government**
- **Advocate on behalf of YOUR community on issues of importance**
